

2023 Tempe Empty Bowls

ABOUT THE EVENT

The Tempe Empty Bowls (TEB) event (www.facebook.com/tempeemptybowls and www.tempeemptybowls.org), provides a chance for the local community to help fight hunger in Tempe. With the purchase of a decorative clay hand-made bowl the monetary proceeds from the event benefit our local non-profit Tempe Community Action Agency and United Food Bank. Our 2 events are set for February 2023 with an estimated turn out of 5,000 supporters. With that turn out, we can use all the support you are looking to offer! We hope you join us in making this a success and your support will be seen by heads of households and families.

The 2023 events will be held from 11 a.m. to 2 p.m. on two days:

- Friday, February 13 at Desert Botanical Gardens, and
- Saturday, February 25 in the Community Center Courtyard, near the Tempe Library, at 3500 S. Rural Rd.

ABOUT TEMPE COMMUNITY ACTION AGENCY

Tempe Community Action Agency (TCAA) has dedicated its resources to strengthening families and neighborhoods through initiatives that address the causes and effects of poverty. Our mission is to foster dignity and self-reliance in the economically vulnerable within the communities we serve. This mission is accomplished in part with the attention and support we receive at Tempe Empty Bowls. On an annual basis, TCAA programs benefit more than 38,000 seniors, adults, and children who live within or near the City of Tempe. This is possible through the efforts of TCAA's outstanding staff and the generosity of our long-time sponsors and volunteers, like you.

ABOUT UNITED FOOD BANK

United Food Bank was established in 1983 and serves 25,000 thousands of food delivered monthly and 52,000 meals distributed daily. To serve the most people possible, United Food Bank collaborates with more than 145 partner agencies and programs helping feed families, children, and seniors. Food comes to the Food Bank through the Federal Government, grocery rescue program and Through their partnership with Feeding America and community food drives and individual donors. United Food Banks are able to secure large donations through statewide programs. However, even with all the food they receive from these sources, there are still nutritional gaps and the funds to purchase other nutritional foods to provide our clients and community partners with a well-balanced variety of foods.
